Security Practices: Information Security, Network Security, Vulnerability Assessment, Threat Analysis, Log Analysis, Security Frameworks and Controls
Software Platforms: Google Workspace, Slack, Microsoft Windows, Android, Apple IOS and Amazon Marketplace Services
Strengths: Problem-Solving, Collaboration, Attention to Detail, Resilience, Adaptability, Teamwork, Initiative, Emotional intelligence and Mentorship

PROFESSIONAL EXPERIENCE

Certified Nurses Aide (CNA) • *Lakewood, NJ* **02/2023 - 02/2025**

- Reviewed daily shift reporting to evaluate patient care needs and updated internal electronic health records with 100% accuracy, ensuring full compliance with HIPAA patient privacy standards and seamless continuity of care.
- Administered hands-on daily care for 10+ patients by assisting with mobility, hygiene, and daily activities while adhering strictly to safety protocols, contributing to high patient satisfaction and successful rehabilitation outcomes.
- Collaborated with multidisciplinary healthcare teams to coordinate personalized care plans and daily routines, ensuring timely interventions and optimized patient comfort.
- Conducted thorough daily environment and wellness checks to eliminate hazards, fostering a clean, safe, and supportive healing environment for patients and their families.
- Earned consistent recognition for exceptional patient care and zero formal complaints over a two-year period, trusted to train internal staff and new CNAs to provide quality examples of demonstrating high quality and compassionate service delivery.

Co-Founder, Event Planner/Coordinator• *Bayville,NJ* **08/2021 - 05/2024**

- Orchestrated weekly events for a portfolio of 30+ client accounts, managing end-to-end scheduling, budgeting, and day-of coordination to ensure high customer satisfaction.
- Executed targeted social media advertisements and weekly promotional initiatives, driving space rental bookings and boosting local brand visibility, resulting in successfully achieving sales targets.
- Maintained accurate logs for vendor partnerships, venue rentals, and financial records, through developing charts and dashboards resulting in 100% compliance maintenance with business budgets and operational requirements.

EDUCATION, CERTIFICATES, & CERTIFICATIONS

Google Cybersecurity Professional Certificate • *Merit America, Virtual* **11/2026**
